Scottish Enterprise

Carbon Positive

Exploring How A Low Carbon Economy Can Benefit Your Business?

14.00 to 16.30 - February 25th

Scottish Enterprise Offices, Edinburgh

The introduction of CRC - the Carbon Reduction Commitment - in 2010 was expected to create additional cost for business. Discover from business experience the impact of legislation and how carbon control can benefit your organisation and create positive impact on efficiency and business performance.

Keynote Presentations by:

Andrew Bright, WSP Group

Andy Johnston, Local Government Information Unit
